\$72 Million in New Cuts to Local Schools.  
**IT'S UNACCEPTABLE.**

**School Board Members and the Broward Teacher's Union agree...**

# Chris Chiari will provide the leadership we need.

**Tomorrow's economy will depend on today's choices.**  
For too long, we've been sold on an array of false promises – from the idea lottery money would add (and not replace) existing budgets, to current leadership promising to hold schools harmless.

Democrat Chris Chiari will renew our commitment to education, not through higher taxes, but smarter choices.

It's critical that we act now. Tomorrow's job market will likely be even more competitive. If we want Florida to compete for new jobs in alternative energy and biotech research, we need to provide a pool of well-qualified graduates.

*Endorsed by: The Broward Teacher's Union, Florida Education Alliance, and School Board Member Dr. Bob Parks.*
